

TOPIC 1: EMERGING ADULTHOOD - THE BRIDGE TO ADULTHOOD

Definition: Emerging Adulthood is the stage between adolescence and full adulthood.

Age Range: 18 to 25 years old

Why called "Bridge": Because you are no longer a teen but not yet a fully independent adult.

5 CHARACTERISTICS OF EMERGING ADULTHOOD by Jeffrey Arnett

1. IDENTITY EXPLORATION

Meaning: Trying different options for love, work, and worldview.

Example: Shifting courses, trying different jobs, exploring beliefs.

2. INSTABILITY

Meaning: Frequent changes in residence, relationships, and work.

Example: Moving dorms, changing schools, unstable relationships.

3. SELF-FOCUSED

Meaning: Less obligations to others and more time to focus on yourself.

Example: Focusing on studies, skills, and self-growth before marriage.

4. FEELING IN-BETWEEN

Meaning: Feeling neither adolescent nor fully adult.

Example: "I am 20 but I still feel like a kid sometimes."

5. POSSIBILITIES / OPTIMISM

Meaning: A time of many future possibilities and hope.

Example: "I can still become anyone I want to be."

TOPIC 2: ERIK ERIKSON'S PSYCHOSOCIAL DEVELOPMENT STAGES

Main Idea: Personality develops in 8 stages. Each stage has a crisis.

IMPORTANT STAGES FOR SHS AND COLLEGE:

STAGE 5: IDENTITY VS ROLE CONFUSION | AGE 12-18

Crisis Question: Who am I?

Positive Result: Identity and Fidelity

Negative Result: Role Confusion

Note: This is your stage in Senior High.

STAGE 6: INTIMACY VS ISOLATION | AGE 18-40

Crisis Question: Can I form close relationships?

Positive Result: Intimacy and Love

Negative Result: Isolation and Loneliness

STAGE 7: GENERATIVITY VS STAGNATION | AGE 40-65

Crisis Question: Can I contribute to society?

Positive Result: Generativity and Care

Negative Result: Stagnation

TOPIC 3: JAMES MARCIA'S IDENTITY STATUSES

Main Idea: 4 ways a person handles Erikson's Identity Crisis.

1. IDENTITY ACHIEVEMENT

Definition: Explored options and made a commitment.

Example: "I tried STEM and ABM, I chose ABM."

2. MORATORIUM

Definition: Actively exploring but not yet committed.

Example: "I am still undecided but I am researching."

3. FORECLOSURE

Definition: Committed without exploration. Usually parents' choice.

Example: "I am Nursing because my mom said so."

4. IDENTITY DIFFUSION

Definition: No exploration and no commitment. Apathetic.

Example: "I don't care what course."

TOPIC 4: ROBERT HAVIGHURST - DEVELOPMENTAL TASKS

Main Idea: Tasks you must learn at certain ages to be successful later.

DEVELOPMENTAL TASKS OF ADOLESCENCE / EMERGING ADULTHOOD:

1. Accepting one's physical body and appearance
2. Achieving emotional independence from parents
3. Preparing for an economic career or choosing a course
4. Developing relationships with peers of both sexes
5. Desiring and achieving socially responsible behavior
6. Developing a set of values and ethical system

TOPIC 5: DAVID ELKIND - ADOLESCENT THINKING

1. IMAGINARY AUDIENCE

Definition: Believing everyone is watching and judging you.

Example: "Everyone noticed my pimple today."

Reality: People are not actually watching.

2. PERSONAL FABLE

Definition: Believing you are special, unique, and invincible.

Example: "Bad things will not happen to me."

"No one understands me like I do."
